

# 8<sup>th</sup> Grade Band Night Information

Even if your student will not be attending Knightdale High School, we would like for them [and you!] to have a really good idea what to expect if they choose to pursue marching band in high school. We invite them to join our band for the Senior Night football game. They will get a chance to hang out in the band room before the game, practice the bleacher music with them and march to the field. They will sit with the band during the game. They will have an up close and track-level view of the half time marching band show. Please warn your student that they will have fun!

Details for Game Night:

- Game night is **Friday October 31<sup>st</sup>**. [Yes! We know, it's Halloween. It will be a tough decision for your student.]
- Arrive no later than **5:30** [at least you will know they will be safe and sound on Halloween night!]
- Please look at the home page for a map to the school. We will have signs guiding you to the band room.
- Have your student wear all black for the evening. Black shirt and black pants or skirt.
- There will be Band Association parents there to help answer any questions.
- Please remember to send them with some money for concessions during the 3<sup>rd</sup> quarter.
